REPORT OF THE BOARD OF MISSIONS.

To the Bishop and Members of the White River Conference:

The Missionary problems are matters of inspiration and methods. For inspiration we must look to our pastors; for methods we must trust the expert knowledge of our Board of Missions. The uses and value of this report are chiefly in bringing the plans and policies of the Board to our attention and in committing ourselves to hearty co-operation therewith.

First, we call attention to the plans of the General Board of Missions, to effect the thorough missionary organization of the Sunday School. On this matter the Board will communicate with all the pastors within the next few months, and our pastors are respectfully urged to give the matter the attention which it deserves.

Second, we urge the prosecution of the "Every Member Canvass."

Third, that brethren make definite effort to increase the circulation of our missionary organ, "The Missionary Voice."

Hendrix College.

We are grateful to note the steady and substantial improvement of Hendrix College. The enrollment of last year was better than that of the previous year, and the enrollment of the previous year shows a marked improvement over last year. The Senior Class of this year is the largest in the history of the College. The scholarship and conduct of the students are excellent.

The President reports that the enrollment both last year and this is exceedingly satisfactory.

During the year strenuous efforts have been made to pay the debt. It has not yet been paid, but the part unpaid has been assured by friends of the College, and the property is no longer encumbered by the mortgage, nor by any part of the old debt.

Certification has been made to the General Board that the debt has been cancelled, and soon requisition will be made for \$25,000 or \$30,000 of the promised \$75,000, and soon we trust to have \$100,000 of endowment actually in hand. But until all the \$300,000 endowment has been secured and invested, the income of the College will be uncertain and precarious.

Galloway College.

We received from President Williams a full report of the conditions at Galloway College.

The enrollment is 187. The faculty consists of twenty-two officers and teachers, whose generous help is amply commended.

The plant is valued at \$114,500, the debt is \$10,297. We feel that the time has come, when the Church should give material assistance to the institution, and we wish a man suitable for the place could be secured to represent the College before the State as Commissioner of Education.

Ministerial Supply and Training.

In line with the action of the General Conference at Ashville, the Board of Education, at its last session, created the Department of Ministerial Supply and Training. The new department has for its task the development of an efficient ministry for the Church.

One of the important duties before us is the development and correlation of the ministerial education of the Church. As a step in this direction, the Secretary of Education makes a call for an educational conference to be held some time in the winter.

We, your Board, heartily concur with the action of the General Board in this matter.

We recommend that we, as a Conference, make, at the earliest

possible date, some definite arrangement to aid the undergraduates to pay the fees required by the Correspondence School.

Recommendations.

1. We recommend that J. K. Farris, George Marshbanks and T. T. Bateman be appointed to succeed themselves as Trustees of Hendrix College.

REPORT OF CHURCH EXTENSION BOARD.

To the Bishop and Members of the White River Conference.

We, your Board of Church Extension, submit to you the following as our annual report:

We regret that we cannot report large collections, such as our work deserves. The demand that comes to us is much greater than our income can supply, and for lack of funds we are forced to deny many calls for help. We therefore urge our pastors to get all needed information on this subject and advise the membership of our Great Church of the urgent demands laid upon us. Within the bounds of our Conference we have 268 Churches and out of this number 156 have Church Extension money in them and still there are 61 homeless congregations needing houses and looking our way for help. We beg you brethren of the White River Conference to come to our rescue, that we may assist them. To this end, we would call your attention to the importance of the enlargement of the General Loan Fund, and note with pleasure the gratifying increase in this fund during the past year. This General Fund should rapidly be brought to the Five Million Dollar mark. We would also call attention to our Sunday School Loan Fund, and ask that our pastors request our Sunday Schools to become constant contributors to this fund. Permit us to call attention to the fact that our collections have been wholly inadequate to meet all the needs in our bounds. We would therefore urge that special efforts be made to raise our assessments in full in the year 1912. The assessment for the coming Conference year is \$3,948, which we apportion as follows:

Helena District	\$ 900 00
Jonesboro District	900 00

Searcy District	800 00

REPORT OF SPIRITUAL STATE OF THE CHURCH.

The Committee on the Spiritual State of the Church beg leave to report:

Our preachers still believe and preach the great doctrine of Salvation by faith in Jesus Christ and souls are being converted under their ministry. We are glad to note from the reports of the preachers that there have been revivals throughout the whole Conference. Thousands have been converted and many added to the church. There is an increase in the number of family altars, and in the daily reading of the holy scriptures. We still preach and still believe the great doctrines of the witness of the Spirit and scriptural holiness. The outlook for the future of our great church in the mission of soul saving is most promising. The forecast for a great harvest of souls in the coming year is full of hope and inspiration.

Respectfully submitted,

H. H. WATSON, Chairman.

H. H. HUNT, Secretary.

REPORT OF THE SUNDAY SCHOOL BOARD.

To the President and Members of the White River Conference:

The report from the General Sunday School Board, shows a very gratifying increase, in the circulation of our Sunday School literature, especially in that of the Magazine and Adult Student; also an increase of officers, teachers and pupils, and in fact an increase in every department of the work.

Under the efficient leadership of Dr. Hamil, a very great interest has been awakened in the Teachers' Training Course. The Wesley Adult Bible Class Department is being taken hold of by a goodly number of our schools, which we believe is accomplishing great good, and every school ought to have it.

The meeting of the Chairmen of the Conference Sunday School Board and Field Secretaries in Memphis was a great uplift for good. The Church seems to be waking up as never before to the importance of a higher and better standard of ideal organization in Sunday School work.

The Statistical Secretary's report will show a small decrease in pupils. We think this an error in reports of pastors.

During the past year we arranged for and held several Sunday School Institutes, which we trust will accomplish some good at least.

During the incoming year, we propose to hold at least one Institute in each Presiding Elder's district, and recommend each school to provide for the expense of at least one delegate to attend the Institute within its respective district.

The Board will provide free of charge Children's Day Programs to all schools who will agree to take collections, and remit to the Board. We urge each pastor to observe Children's Day, according to the direction of the discipline. Quite a number of the charges failed to observe the day this year. This ought not so to be. Let us be law-abiding, and set a worthy example for our children to follow.

During the year we have received from Children's Day collections, before Conference, \$139; received from the Auditor, \$67.99. Total, \$206.99.

Ten per cent of this has been sent to the General Sunday School Board, leaving a balance of \$186.92. After providing for need of schools and general expense of the Board, we had a balance from last year of \$201.05. This is forwarded to the General Sunday School Board, for the endowment of a chair of religious pedagogy, Vanderbilt University.

Respectfully submitted,

W. P. TALKINGTON, Chairman.

T. B. WILLIAMSON, Secretary.

REPORT OF THE EPWORTH LEAGUE BOARD.

To the President and Members of the White River Conference:

The information furnished this board by Rev. F. S. Parker, Secretary of the General Board, states that the League at large is doing a great work, and that there are some very encouraging features concerning it. There has been an increase of 347 chapters, and quite an interest created in Missouri, having expended over \$28,000 in this noble work this year. This has been attributed to the fact that system-

atic mission study has been introduced into the church.

The missionary spirit has grown so great, and the opportunities are so large, that the Board of Missions has requested that the Epworth League take the entire budget of Cuba missions, amounting to \$50,000 for the year 1912.

While there is encouraging news in general of the Epworth League, it is not so much so in our own Conference. We have held our own in number of chapters, but have lost in members; however, our contributions are in advance of last year.

We feel that our League work is not given the prominence in our church that it should have, and believing that we ought to have a part of one day in the District Conference to devote to its interest, and as our General Secretary, Rev. F. S. Parker, has recommended it, we therefore ask that each District Conference give one day to Epworth League work at its session for 1912.

Believing that it is desirable for the three Arkansas Conferences to have a joint Epworth League Assembly, we nominate as commissioners Rev. A. E. Holloway, Rev. F. P. Jernigan and A. L. Hutchins and authorize them to join with commissioners from Arkansas and Little Rock Conferences in negotiating for suitable grounds, provided their action is not final till approved by the Conference.

B. L. WILFORD,
J. W. THOMAS.

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

Your Committee on Books and Periodicals beg leave to submit the following report:

We rejoice to learn from the report of our publishing houses at Nashville and Dallas that the gross sales have amounted to \$897,117.94, yielding a net profit of \$86,934.98. This is much the largest business ever done by these houses, and there is promise of better things from the future.

It is a cause of great satisfaction to know that the quality of books and periodicals published by these houses is in the front rank of the choicest literature issuing from any press, and the mechanical execution is equal to the best.

The Methodist Review, so ably edited by Dr. Gross Alexander, has grown in circulation until it is taken by more preachers and other people than ever before in its history and is yielding some revenue to the house. A large class of readers who are competent judges of the character of the articles found in its columns pronounce the Review to be equal to the best of its kind.

The Christian Advocate and Epworth Era have reached a very

high standard of excellence, and are unsurpassed in literary merit and spiritual tone.

Our Sunday School literature can scarcely be improved upon. Under the capable editorship of Dr. Chappel, assisted by an able corps of contributors, it has almost reached perfection.

We cannot commend too highly our Conference organ, The Western Methodist. Dr. James A. Anderson, its able editor, wields a trenchant pen, as the editorial columns abundantly show. A series of articles on "Where Rest is Found" show vast research as well as profound thought. We earnestly urge our brethren to give this valuable paper a largely increased circulation.

T. Y. RAMSEY, Chairman.

REPORT OF BIBLE SOCIETY BOARD.

To the Bishop and Members of the White River Conference:

We, your Committee on Bible Cause, desire to make this report.

We note with interest, and commend the work of the American Bible Society, for the distribution of Bibles, Testaments and tracts.

The demand of the people for the Bible is increasing.

We earnestly solicit our preachers to use their influence to bring about a more general use of the Bible in our public schools.

We commend Hendrix College for placing the Bible in its curriculum and ask all our Church schools to do the same.

The Treasurer has received this year \$103 for the American Bible Society.

REPORT OF ORPHANAGE BOARD.

To the Bishop and Members of the White River Conference:

Dear Brethren—Your Committee on the Arkansas Methodist Orphanage respectfully report that we received a communication from the Board of Trustees of the Orphanage, which reads as follows:

The Trustees of the Methodist Orphanage submit their annual report, as follows:

The past year has been one of varied sunshine and shadow

for the Orphanage. We have had considerable serious sickness, and one death, that of little Roy Stutton, who came to us from Dardanelle. We had fourteen cases of measles at one time, some of which were complicated with pneumonia. At present, the children are all well, except three boys with chills, who recently came into the home from Augusta.

We received nine children during the year and placed nine in good homes, leaving twenty-nine with us, which is, of course, the same number we had at the close of last year. We rejected fifty-five applications for children. In most of these applications, it was evident that the applicants were seeking servants, and we do not place children in families to be servants. We refused admision to the Home of three children, whose father is alive; three whose mother is alive, making \$30 per month in a laundry; two who are over age; one whose parents are both living, and five of one family where the father had been killed and the mother was in jail accused of being accessory to the killing of the father. In all of these cases, our sympathies were very much moved, but they did not, in our judgment, come within the scope of the object of our work.

We have during the existence of the institution placed one hundred and forty-four children in homes to be adopted as members of the families. Since our last annual report, Bro. Thornburgh has collected Four Thousand Seven Hundred One Dollars and Eighty-eight Cents toward the completion of the new building and furnished the same, of which amount Six Hundred Seventy-five Dollars was for furnishings. The total amount invested in the new Home is Thirty-one Thousand Fifteen Dollars and Twenty-two Cents, of which Six Thousand Dollars came from the sale of the old Home. Twenty-one Thousand Five Hundred Fifteen Dollars and Twenty-two Cents was raised by Bro. Thornburgh, and Three Thousand Five Hundred Dollars remains unpaid as part of the purchase price of the ground. We are assured that the value of the property far exceeds the amount invested. Those who have seen the new home for the first time are astonished at the beauty of the location, and the magnitude of the building. The internal management has been very satisfactory. It is a well regulated home and a delightfully happy home. We know that God's blessing has been and will continue to be on this work.

Respectfully submitted,

BOARD OF TRUSTEES,

By G. H. Kimball, Secretary.

We report that the affairs of said Orphanage are being properly and economically administered by the Board of Trustees, and the work of erecting buildings is being prosecuted as fast as the means supplied will allow, and we commend to the church, and to all who will, the support of this most worthy cause, which must be by volun-

tary contributions, and we urge the necessity of raising the funds to build such Orphanage.

We also recommend that the Sunday before Christmas be set apart in each pastoral charge to take collections for the Orphanage, and that said collection be applied on the assessment made by the annual Conference. We recommend Twelve Hundred Dollars, the same assessment as was made last year, for White River Conference, proportioned as follows:

Batesville District	\$192 00
Helena District	276 00
Jonesboro District	288 00
Paragould District	228 00
Searcy District	216 00

Respectfully submitted,

W. L. OLIVER, Chairman.

H. H. HUNT, Secretary.

REPORT OF TEMPERANCE COMMITTEE.

To the Bishop and Members of the White River Conference:

Dear Brethren—We reaffirm our antagonism to the liquor traffic and stand uncompromisingly in favor of state-wide prohibition. We endorse the initiation of state-wide bill as proposed by the Anti-Saloon League, and urge our people to give it their most hearty support.

We recommend the appointment of Rev. J. H. Bishop to the temperance work under direction of the Anti-Saloon League.

We also recommend the appointment of Revs. W. F. Walker, W. P. Tarkington, B. L. Wilford and Laymen Dr. J. B. Grammar, J. W. Pope and J. W. Henry to represent the White River Conference in the Board of Trustees of the Anti-Saloon State League.

We further recommend the appointment of Revs. R. C. Morehead, and Fred Little, as Delegates to the National Anti-Saloon League Convention, to be held in Washington December 11-14, 1911.

(Signed for Committee.)

R. C. MOREHEAD.

REPORT OF HOSPITAL COMMITTEE.

To the Bishop and Members of the White River Conference:

We, the Hospital Committee, beg to submit the following:

We believe that it would be impossible to overestimate the importance of this work and its possible influence on the future of our Church. Doubtless thousands will be won to Christ and the Church through this influence.

As the Hospital is to be located in Memphis, Tenn., we believe that we should prove our interest in and appreciation of this enterprise by worthy liberality and hearty co-operation with the Commis-

sioners and Field Secretary in making it possible for the best results to be obtained throughout our Conference.

We would recommend that our pastors welcome to their charges and co-operate with the Field Secretary in bringing this cause before our people. We would also ask our religious papers to render this work all possible assistance by opening their columns for the publication of communications from the Secretary and members of the Board of Commissioners. We approve the appointment of date of January 28, 1912, as Hospital Rally Day, and that on this day, or as near thereto as practicable, our Sunday Schools, Epworth Leagues and Women Missionary Societies be asked to contribute to this cause and that special collections be taken in our several congregations, to be applied to the Hospital Fund. We approve the action of the Commissioners in the selection of Rev. H. M. Ellis of the Mississippi Conference as Field Secretary, and pledge to him and the Commissioners our hearty co-operation. We commend the work of the Commissioners and would recommend the re-election of the Board of our Conference for the year 1912.

We therefore nominate Rev. J. K. Farris, Rev. R. C. Morehead, Mr. W. R. Stuck, Mr. Ed Hamilton, Mr. J. F. Smith Commissioners.

Respectfully submitted,

FRED LITTLE, Chairman.

J. R. NELSON, Secretary.

MEMOIR.

Rev. G. W. M. Freeman.

Rev. G. W. M. Freeman, son of W. L. and Rutha Freeman, was born in Overton County, Tennessee, December 29, 1874, and with his father's family came to Arkansas in 1882, making their home in Fulton County, near Viola. He was converted and joined the Methodist Church in 1893, at Mount Calm Church, and was licensed to preach in 1905. After serving Bexar and Viola Circuits one year each as a supply, he was admitted on trial in the White River Conference at Corning, in 1907. After that he served Bexar Circuit one year, Cave City Circuit two years, his last charge being the LaGrange Circuit, where he died August 27, 1911.

He was married to Miss Laura A. Foster, May 15, 1895, and to this union five children have been born, all living with the dear wife and mother, to mourn his untimely death.

Bro. Freeman was a most lovable man and greatly endeared himself to the people to whom he was sent to preach. He was looked upon as a preacher who was rapidly becoming one of the strong men of the Conference, a hard student and a good pastor. On Sunday prior to his death he began a revival at Central Church in Phillips County, and was taken ill on Wednesday morning. His sickness soon

became serious. Congestion of the stomach set up, which resulted in his death in spite of all that love and skill could do. He was rational all the time, knew before the end came that he would die, and calmly set his house in order. He sent loving messages to his absent wife and loved ones, and to his brethren in the ministry, assuring all that he died in the faith. He made an effort to sing "I Am Going Home, to Die No More," and while so engaged death stilled the music of his voice and he had gone home to God. His remains were carried to his old home in Fulton County, where his family was visiting at the time of his sudden death. The funeral was held in the presence of an immense concourse of relatives and friends, assembled at Mount Calm Church, the services being conducted by the writer and Rev. J. R. Nelson of Forrest City.

May the Holy Comforter ever remain with the stricken ones to help them to so live that they may meet the husband and father in the mansions of the blest.

Mrs. Ermin King.

Mrs. Ermin King was born in Barren County, Kentucky, November 21, 1840; was married to Rev. W. L. King, then of the Louisville Conference March 30, 1859, and departed this life at Searcy, Ark., February 13, 1911, leaving four children in great sorrow, her husband and three children having preceded her to Heaven. During Sister King's last illness, which lasted for months, she spoke repeatedly of death and of her preparation therefor; and on the evening of February 13, at 10 o'clock, she died in great peace.

R. C. MOREHEAD.

Mrs. R. H. Grissett.

The subject of this sketch was born in Lawrence County, Ark., March 2, 1855, and died October 1, 1911. She was united in marriage to her surviving husband in LaCrosse, Ark., this writer officiating, November 18, 1875. She was the mother of seven children, two of whom awaited her coming on the other shore. Ten years after their marriage, her husband, with her consent entered the ministry, and for twenty-six years she was faithful to her husband and children and loyal to her church. I do not think they ever received as much as \$500 on any pastorate they served. High finance was a sealed book to her, but in rearing her family on a meager salary she easily out classed the money kings.

She was an invalid the last six years of her life, and the three years preceding her death she was a great sufferer, but patiently endured it all until the end came. She was a loving wife and devoted

mother. They all know where to find her.

Blessings on her bereaved husband and surviving children.

AN APPRECIATION.

Rev. George Asbury Dannelly.

The fragmentary data obtainable makes this memoir unsatisfactory to me and will be to his legion of friends, but his historian will supplement it.

This well and widely known Methodist minister was born in that historic city by our Southern sea, Charleston, South Carolina, February 27, 1824, and died in Bauxite, Ark., at the home of his step-son, John G. Chitz, December 4, 1911. He was the son of a local Methodist preacher, Rev. David Dannelly. They moved to Tippah County, Mississippi, where he met and married Miss Ann Eliza West November 19, 1844. They had but one child, now Mrs. Jenny M. Pettey, who lives with her only living child, Pierce Pettey, at Russellville, Ark. She has been in delicate health for several years, and unable to take care of her father in his long illness. Bro. and Sister Dannelly moved to Phillips County, Ark., in 1847, where he was converted in a meeting conducted by Rev. Jordan Lambert, a local Methodist preacher, and a Presbyterian minister named Thompson. He was licensed to preach in Batesville, Ark., in 1852. He went from a dry goods store in Jacksonport to Clinton Mission, his first work, which he served two years. Thence to Helena Circuit, and the following year the Batesville Circuit. Afterward as Presiding Elder he served Clarksville, Fayetteville, Batesville, Jonesboro and Searcy Districts, and some of them twice.

Much of his active and useful service was before the building of the St. Louis, Iron Mountain and Southern Railway and its tributaries. He drove a pair of fine horses and a double buggy.

His splendid physique and almost uninterrupted health enabled him to travel in bad weather and over bad roads. He was usually on time. He was princely in his appearance and carriage and almost faultlessly neat and clean in his person and apparel. He always wore the conventional black. He had a finely formed body and limbs, crowned with an unusually fine head and splendid face. He was handsome to the day of his death. He was an unusually entertaining conversationalist, and had a large repertoire of humorous anecdotes. He represented his annual Conference several times in the General Conference. Because of his preference for District work and his fine executive ability, he did but little if any station preaching and service. He was for several years the leader of his Conference. But he had another and larger sphere of influence.

In 1852, the year he was licensed to preach and was admitted to

membership in the Arkansas Conference, he also joined the Masonic fraternity, Pool Lodge, at Jacksonport, Ark. He was so charmed with its tenets and ceremonial, that he became one of its most earnest students, enthusiastic advocates, and brightest lights. He had been made a Methodist, a Minister and a Mason without an education. But in Masonry, as in his initial service in the ministry, he most remarkable memory, the equal of which I have not known, served him successfully. His wife taught him the alphabet and to read. She read his hymns and Bible lessons that he used, which he committed readily to memory and soon repeated them beautifully and impressively. It resulted in his having at his command the largest number of hymns and chapters in the Bible of any preacher within the Conference and state. And in Masonry, he soon outstripped all his Brethren in his absorption of its ritual, and the mastery of the minutest details of its mysteries. After his initiation, advancement and elevation to the third degree in Masonry, he was exalted to the realm of Royal Arch and Select Masonry, and Knighted in the Commandery. He was elected Grand Orator, Grand Lecturer, Grand Master, Grand High Priest of the Grand Chapter of Arkansas Masons. He was also elected president of two Constitutional State Conventions, held in Little Rock in 1873. He was an oracle in Arkansas on Masonic law and usage.

He was twice happily married. His first wife was frail in body, but sweet in the spirit and strong in the faith of the Gospel. She was an helpmeet indeed. After having seen his rapid rise and growing usefulness, enjoying with him the widening circle of his hosts of influential friends, till he passed the meridian of his pulpit prominence and popularity, and the zenith of his Masonic pre-eminence in 1886, she fell asleep. "Even them also, which sleep in Jesus will God bring with him."

His second wife, Miss Fannie Critz, had long known Bro. Dannelly and his family, they having been neighbors and intimate friends. He, knowing her splendid traits of character, wooed and won her. This proved to be a most fortunate union for him. Ten years later he was stricken with paralysis, and never again got in or out of his chair or bed, without assistance—fifteen long years. Twenty-four years she was his loving companion, cheerful servant and willing slave. Her unusually strong body, although she was twenty years his junior, gradually gave way. Yielding to the daily and exacting demands of her husband's increasing physical and mental infirmities, she at last collapsed. Knowing her death was near, she called her son and his good wife and committed him to them, pledging them to take her place, till the end came, which they did. She preceded him six months to the Saint's Rest.

It was touching to observe them looking into each others face and wondering which would go first and hear them both say they

hoped they would go together. There was added poignancy to his grief, because he knew her sufferings were vicarious and that she had been crucified on his heavy and helpless body. She literally laid down her life for him.

When at home I visited and prayed with them often, if I did not suggest prayer he would. I usually left him happy, rejoicing.

There was a marked similarity in the manner of their departure. Each slept sweetly for about forty-eight hours before going, and died without a struggle or a sigh. "There was light at Eventide."

He was 29 years of age when he was converted, and an invalid the last 15 years, making 44 years, or half of his long and eventful life. But the other half were busy years. His tireless energy put and kept him on double duty, traveling a large district as Presiding Elder, and the state as Masonic lecturer, retiring after midnight as a rule. And here, I am persuaded, is the secret of his sudden and unexpected giving way of health. The Masonic fraternity proved their love and loyalty by making liberal monthly appropriations for him, far in advance of the contribution of his church, but not enough to furnish a professional nurse and to feed and clothe them. He was the first preacher who impressed my boyhood life, although I was not converted till the year after he left our circuit.

Some sow and others reap. We build on each other's foundation. I met him as he was leaving the circuit for Conference. He got out of his buggy and hugged me "goodbye," and whispered a prayer in my ear. It is there yet.

READ THIS AND ACT ON IT.

Every Christian should have enough interest in his Lord's business to try to keep himself posted on what his Church is doing, and every White River Methodist who does not take at least three of the four following publications falls far short of his privileges.

First, The Western Methodist, one of the strongest Conference organs of the Church, published at Little Rock. Price \$1.50 the year. And every Methodist should read it.

Next, our general organ, The Christian Advocate, published at Nashville, Tenn. Price \$2.00 the year. Worth the money. But preachers get it at one-half price. And every one should take it to keep up with the Church at large.

Then The Missionary Voice, the organ of both the Consolidated Mission Board and the Laymens Missionary Movement. Price 50c, and worth several times the price. Every one interested in the conversion of the world should read it. Published at Nashville, Tenn.

Last but not least, The Methodist Review Quarterly. Price \$2.00, and frequently one article worth the price of the book. No. 810 Broadway, Nashville, Tenn.

Put these publications in your homes and you will have more knowledge, zeal and love for the Master's cause.

Your brother,

F. M. DANIEL.
